Packaging Guidelines

Tips For Packaging		To provide protection & ensure your parcel is in good condition before & after delivery.		ARIKOD	
	1. External Packaging Cover 100% of the parcel (conceal/carton box, bubble wrap, shrink-wrap).		6. Bottles & Liquids Upright position with tightly sealed. Wrap with extra foam/cushion and plastic seal individually to prevent spillage. Label with Fragile & Upright sticker.		
	2. Internal Packaging Snuggly or tightly pack the item (fill up between or empty spaces with kraft paper/foam sheets/air pillow/packing peanuts etc.)		7. Clothing Fold neatly to minimise wrinkling & pack in envelopes/boxes with extra plastic seals to prevent it from wet.		
	3. Irregular Packaging Place the item in a large box & fill up the empty spaces/pack it tightly with styrofoam ball/foam sheets etc.		8. Perishables Ensure the packaging is waterproof /sealed in insulated containers to prevent leakage or moisture conditions.		
	4. Fragile Items Wrap the item individually with bubble wrap/foam sheets to prevent the item from shifting/moving during transporting (glassware, ceramics, porcelain). Label with Fragile sticker.		9. Proper Labelling a. Breakable Items must be labelled with Fragile stickers. b. Upright label shows the right orientation for handling the items. c. Handle With Caution / Customer's Remark d. Delivery Address/Waybill label should be clearly/visibly displayed.		
	5. Electronic Devices Power off the devices and remove the batteries if possible. Wrap the devices with corrugated boxes/foam sheets, etc. to prevent them from falling impact or dent.
